Williams, L. R., Review of Academy activities, 107
Williams, W. R., Discussion, Cutaneous manifestations of systemic diseases, 304
Wood, F. C., Fundamental research in cancer. The Wesley M. Carpenter Lecture, 653

SUBJECTS

A

Academy activities, Review of, L. R. Williams, 107
Academy meetings, Proceedings of, 40, 98, 157, 322, 411, 669, 749
Accessions to the Library, Recent, 36, 94, 154, 318, 406, 475, 530, 588, 630, 667, 746
Address of welcome, J. A. Hartwell, 637
Administration of convalescent serum in the treatment of poliomyelitis, Report of study of, 613
Admission, Report of the Committee on, (Annual Report), 184
Affiliated societies. Notes. (Annual Report), 269
Afternoon lecture, Friday. Migraine and its treatment, Henry Alsop Riley, 717

Afternoon lectures, Friday, 625
Air and clean streets exhibit, Pure, 34
Alcoholic liquors, In regard to prescribing. Resolutions of the Council, 314
Ambulance fees, Unethical practice. Resolutions of the Council, 315
Anniversary Discourse. The university and the medical profession, James Ewing, 1
Annual Report for 1931
Academy Fellowships, Complete:
Associate Fellows, 264
Benefactors, 268
Honorary Fellows, 266
Non-Resident Fellows, 257
Recapitulation, 266
Resident Fellows, 231
Admission, Report of the Committee on, 184
Auditor's certificate, 181
Committees of the Council and Trustees, 271
Council, Report of the, 165
Dues 1932, Allocation of Fellows', 171
Endowment—building fund, Report on new, 182
Fellows and Associate Fellows elected in 1931, 229
Funds, Statement of special, 177
Gibbs prize fund, Report of the Committee on Edward N., 223
Gifts and bequests, 171
Income and expense, Statement of, 174
Library, Report of the Committee on, 185
Medical Education, Report of the Committee on, 212
Medical Information Bureau, Report of the, 224
Medical Jurisprudence, Report of the Committee on, 222
Notes:
Affiliated societies, 269
Bequests, Form of, 270
Dates of Academy meetings, 269
Donations to the Library funds, 270
Hosack bed for sick and needy physicians, 270
Obituary, 228
Offices and meetings at the Academy, Report of the, 226
Officers of sections, 272
Professional Standards, Report of the Committee on, 220
Public Health Relations, Report of the Committee on, 185
Sections, Report of the Committee on, 218
Treasurer's Report, Abstract of, 172
Trustees, Report of the Board of, 168
Arteries, Occlusive diseases of the peripheral, G. E. Brown, 276
Arteriosclerosis, R. W. Scott, 47
Associate Fellows. Complete Academy Fellowship. Annual Report, 264
Auditor's certificate. Annual Report, 181
Authentic periodical of medical history, The first (editorial), F. H. Garrison, 421

B

Benefactors. Complete Academy Fellowship. Annual Report, 268
Bequests, Form of. Annual Report, 270
Bequests, Gifts and. Annual Report, 171
Biggs Memorial Lecture on Robert Koch, Lawrason Brown, 558
Building fund, Report on new endowment. Annual Report, 182

C

Cancer, Fundamental research in. The Wesley M. Carpenter Lecture, F. C. Wood, 653
Cancer mortality, Some aspects of, L. I. Dublin, 687
Cancer of the large intestine, Pathology of, H. T. Karsner, 352
Cancer, Summary of results that can be obtained by irradiation in, G. E. Pfahler, 702
Cancer, The factors constituting malignancy in, James Ewing, 699
Cancer, The historical development of the pathology and therapy of, H. E. Sigerist, 642
Carcinoma of the colon, Surgical aspects of, F. W. Rankin, 389
Carcinoma of the colon, The roentgenologic manifestations and differential diagnosis of, B. R. Kirklin and H. M. Weber, 366
Cardiovascular syphilis, E. P. Maynard, Jr., 442
Cardiovascular system, A list of writings on the, C. K. Friedberg and the Staff of the Library, 66
Carpenter Lecture, The Wesley M., Fundamental research in cancer, F. C. Wood, 653
Cheyne, Sir William Watson. Obituary, Walton Martin, 336
Children, Psychoneuroses in, H. B. Wilcox, 502
Clean streets exhibit, Pure air and, 34
Colon, Malignancies of the, T. R. Brown, 356
Colon, Surgical aspects of carcinoma of the, F. W. Rankin, 389
Colon, The roentgenologic manifestations and differential diagnosis of carcinoma of the, B. R. Kirklin and H. M. Weber, 366
Committee on Public Health Relations. Report on Housing, 521
Committee, Report of Museum, 527
Committees of the Council and Trustees. Annual Report, 271
Convalescent serum in the treatment of poliomyelitis, Report of study of administration of, 613
Corresponding Fellows elected, Fellows and, 162
Council, Annual report of the, 165
Council, in regard to prescribing alcoholic liquors. Resolutions of the, 314
Council, Unethical practice—Ambulance fees, Resolutions of the, 315
Cutaneous manifestations of systemic diseases, U. J. Wile, 289

D

Dates of Academy meetings. Annual Report, 269
Deaths of Fellows of the Academy, 46, 105, 163, 337, 419, 478, 533, 591, 635, 681, 754
Bandler, Samuel Wyllis, 533
Billings, Frank, 634
Bingham, Anne Tefft, 419
Bryan, William, 163
Burt, Stephen Smith, 337
Callan, Peter Augustine, 634
Cilley, Arthur Hutchins, 419
Cole, Carter Stanard, 46
Comstock, George Foster, 419
Driscoll, William Phelan, 337
Floyd, Rolfe, 754
Fox, George Henry, 105
Goffe, James Riddle, 46
Graeser, Herman Rudolf Alexander, 337
Harrigan, Anthony Hart, 591
Hibbs, Russell Aubra, 634
Illoway, Henry, 105
Keen, William Williams, 419
Kent, James Manning, 591
Kessel, Leo, 754
King, Edward Ambrose, 754
Klein, Eugene, 634
Leale, Charles Augustus, 478
Leshure, John, 419
Losey, Ray Robinson, 46
Lusk, Graham, 533
McLean, Stafford, 337
Meyer, Willy, 163
Miller, Frank Ebenezer, 337
Munroe, George Edmund, 337
Murphy, Deas, 634

Newman, Emanuel David, 681
Osnato, Michael, 478
Pritchard, William Broaddus, 419
Scott, Richard John Ernst, 681
Seaman, Louis Livingston, 105
Starr, Moses Allen, 591
Terriberry, Joseph Frederick, 533
Thayer, William Sydney, 754
Tracy, Ira Otis, 419
Turck, Fenton Benedict, 754
Waller, Newton Booth, 634
Wertheimer, Herbert Gatz, 681
Wilson-Prevost, Charles Auguste, 46
Yankauer, Sidney, 591

Diagnosis of carcinoma of the colon, The roentgenologic manifestations and differential, B. R. Kirklin and H. M. Weber, 366
Directory of qualified occupational therapists, 405
Discussion, Cutaneous manifestations of systemic diseases, W. R. Williams, 304, Howard Fox, 306, A. F. Coca, 311
Discussion, Harlow Brooks, 472
Diseases, Cutaneous manifestations of systemic, U. J. Wile, 289
Diseases of the peripheral arteries, Occlusive, G. E. Brown, 276
